

The Victorian 5

The Victorian 5 Facet is an elegant octagonal shaped conservatory available in eighteen stylish colours. This style of conservatory gives a traditional look and is ideal for all types of houses and floor space. The Victorian 5 facet is as elegant as it is engaging and adds a sense of style and luxury to any building. Whilst architectural influences past and present serve as inspiration for the Victorian 5 facet these elements combined with technology ensure every Speed Frame conservatory equates to a truly modern masterpiece.
